SO MUCH @ YOUR LIBRARY

Find out about all our events this summer at MyCPRL.org/events

Take free fitness, hobby and language classes

Your library offers fun, free programming you'd pay money for elsewhere. You can explore everything from basket weaving and quilling to knitting, crocheting, writing clubs, Spanish language assistance, tech classes, and even chair yoga. Additionally, a variety of online courses are accessible through Universal Class for further learning opportunities.

Free Access to Digital Content

With Libby by OverDrive, library cardholders can download a wide range of digital content, including eBooks, eAudiobooks, and eMagazines, directly to their devices for free. This service eliminates the need for costly subscriptions to digital media services.

Free WiFi

Across the library, cardholders can access free wireless Internet. This is a significant cost-saving amenity for those who need reliable internet access for work, study, or personal use without the burden of monthly subscription fees. With our Tops & Spots program, patrons also have the option to check out free mobile hotspots for at-home use just as they would check out any other item from the library.

Book/Tech Mobile

The CPRL Book/Tech Mobile is moving around Craven and Pamlico Counties. Find a stop near you at MyCPRL.org/booktechmobile. You can check out books, use our free wifi, checkout a chrome book to type up a document and learn about programs happening at your nearby public library.

Library of Things

The Craven-Pamlico Libraries offer a variety of "things" you probably need or could use and allows you to borrow them instead of buying them. We have musical instruments, Clean Sweep Clean Up kits, electronic magnifiers, Reminiscent therapy kits, Kindle Fires, cake pans, telescope and puzzles. See all these items and more MyCPRL.org/libraryofthings.

Tech Classes

At Craven-Pamlico Regional Libraries, we're here to help you overcome the Digital Divide! We provide programs designed to enhance your basic technology skills, including email usage, internet navigation, cybersecurity awareness, and tips for using Android/iOS devices, among other topics! See all our available upcoming classes at MyCPRL.org/techclasses.

At Home Resources

You can access many library resources from home! NCLive includes an online collection of 1.4 billion full-text articles, eBooks, streaming videos, digitized newspapers, language learning tools, and more. TumbleBooks are animated, talking picture books which teach kids the joy of reading in a format they'll love. See more resources available at home at MyCPRL.org/at-home-resources.

The Kellenberger Room

The Kellenberger Room houses the local history and genealogy collections of the New Bern-Craven County Public Library. The Kellenberger Room collects materials that are fundamental to the study of local history for New Bern and Craven County and counties surrounding Craven County. Books, microfilm, photographs, oral histories, and online databases are available. Visit the Kellenberger Room website at Kellenberger.MyCPRL.org.
