

CRAVEN-PAMLICO REGIONAL LIBRARY NEWS

Vol. 1, No 2 Winter 24/25

The Power of Once Upon a Time

Storytime teaches your child about print awareness and the ability to recognize and work with the sounds in spoken language. As your child follows a story, they learn narrative skills, sequences, and vocabulary to help them describe and understand the world around them.

Storytime helps prepare your child for school by letting them practice skills such as listening, following instructions, and participating in activities.

Research shows that reading is the most important factor in academic success. In addition to attending storytime, you can read to your child at home. The library has lots of wonderful books available to check out for your own storytime. Ask your librarian for suggestions.

THE NEW BERN-CRAVEN COUNTY LIBRARY HAS MOVED BACK HOME!

The library is back at their 400 Johnson Street location in New Bern. Bookworms of all ages are invited to tour and enjoy the newly renovated library.

The library wants to thank everyone for their support and patience, while these necessary repairs were accomplished on our beloved historic New Bern-Craven County Library.
